

# TRAFFIC LIGHT CODE

## Do not bring in your child for 48 hours if they have:

- A temperature over 37.5
- A server cough
- A constant runny nose (green or yellow)
- Diarrhoea or vomiting
- Undiagnosed rashes
- Untreated sores, discharge or weeping
- Sore throat or swollen glands
- Body aches or are lethargic

## Be on call and your child can return if they have:

- No fever
- Sporadic cough
- Slightly runny nose (clear)
- Taking antibiotics

## Completely ok to come and play if they are:

- Mostly clear of their illness
- Completed a course of prescribed antibiotics
- Active, playful and well rested
- Good appetite
- Able to rejoin the other children with activities and games

**We are doing this to make sure bacteria and infection doesn't spread around to other children and staff members. We all want to be happy and healthy, plus we love coming to pre school to play!**
